

MANUAL ACTUATOR HEAD 227DMS

Description

The purpose of this actuator head 227DMS is to actuate by manual force the valves of the cylinders on which it is fitted. Once the safety pin is removed, the knob can be turned in the opposite direction from its resting position to produce the release.

The 227DMS manual actuator head is connected **ONLY** to the upper actuation port of the electrical actuator 227SOL / 227SOLR / 227SOLC / 227SOLCR / 227SOLC125 / 227SOLCR125 by means of a revolving nut which allows its right orientation.

Technical information

Manual actuator head 227DMS		
Code		227DMS
Re-assembled requirements		Manual (safety pin)
Activation push button	227DMS	Aluminium
	227DMSP	Plastic
Connection to electrical actuator 227SOL / 227SOLR / 227SOLC / 227SOLCR / 227SOLC125 / 227SOLCR125		3/4" BSP Female
Approvals		UL-EX15547 FM-3053302

Safety:

Before threading the electrical actuator to the activation port of the electrical actuator, check that the actuator pointer is retracted (position 1).

If the actuator pointer is in position 2, when threading the electrical actuator, the gas extinguisher contained in the cylinder could discharge violently, causing serious injuries to the person handling it.

Do not install the electrical actuator without holding the cylinder to the wall with its brackets.

REVOLVING NUT:

- Thread it to the electrical actuator.
- Do not add sealant, or Teflon, or glue.
- Tighten only with the hand.

To remove the electrical actuator from the electrical actuator, loosen its revolving nut by hand.

WARNING: This type of Manual actuator 227DMS is manufactured and approved to be used in fixed extinguishing installations with FM-200®. This product is not designed for other use or purpose. If product user has any doubt regarding the application or product use, please contact +34 947 28 11 08. Every not approved use or application or / and any other not approved modification of the product or its function may cause serious accidents or / and personal damages. SIEX 2001 S.L. is not responsible for any non-approved use of the application.

IMPORTANT: SIEX 2001 S.L. reserves the right to change or modify without previous notice any data or specification due to changes or modification in order to improve the products presented.
